

20 Hertford Street

20 Hertford Street, Mayfair, London W1J 7RS, United Kingdom

At 20 Hertford Street they have a selection of serviced apartments ranging from studios to two bedroom accommodation. The studio apartments have a Murphy bed which is a pull down bed - it can be raised during the day to give the studio a larger feel and then lowered at night. It also has a fully fitted and equipped kitchen and a shower room. The one bedroom and two bedroom apartments have satellite televisions in the bedrooms as well as in the lounge area; and power showers in the bathrooms. This property has been recently renovated and refurbished to a good standard.

There is a central laundry room in the basement for guests staying in the studio and one bedroom apartments, however the two bedroom apartments have their own washer dryers. For guests convenience there is daily housekeeping and air-conditioning throughout. This property is a good choice for the independent traveller.
