

Shard View Apartments by Urban Stay

19 St Mary at Hill, Monument, London, EC3R 8EE

Situated on a quaint side street running between Lower Thames Street and Eastcheap, all of the one and two bedroom apartments enjoy incredible unobstructed views of The Shard through lovely floor-to-ceiling windows in the living room. Light, bright and spacious, the flats feature open plan kitchens with oven, hob, dishwasher and washing machine. Chic furnishings and stylish decor allow you to relax in a wonderful environment that includes large flat screen HD TV, as well as high speed broadband.

Set in a wonderful old red brick building, complete with original clock tower, The Shard View Apartments property has a lift to all floors and has been tastefully refurbished throughout. All leisure or corporate guests will relish a stay at these great apartments. Whether relaxing in the luxury of a private home from home or exploring the surrounding area (step outside for some of the very best pubs, cafes, restaurants and shops), it is ideal accommodation in the heart of the City of London.
