

Town Hall Hotel and Apartments

8 Patriot Square, London E2 9NF

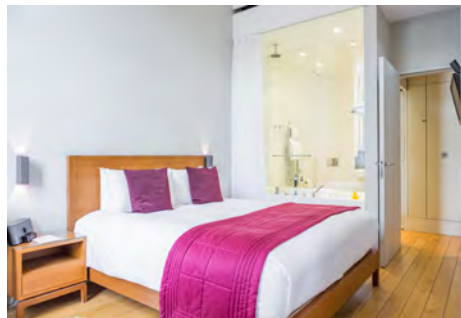

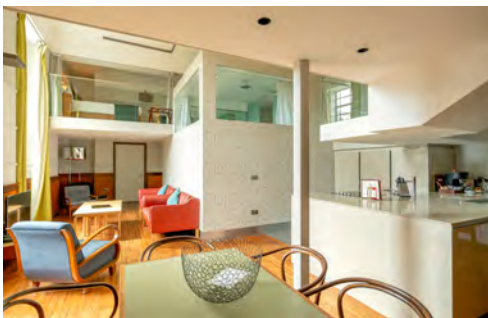

Walk through the grand Edwardian frontage of this imposing property past reception with its quirky safes – large enough to hide inside - towards the sweeping marble staircase. A selection of conference and banqueting rooms are available to hire as well as the original council chamber sympathetically renovated.

The Town Hall Hotel portfolio is made up of a mixture of studio, one and two bedroom apartments all beautifully and effortlessly designed with their own personalities in mind. Light has been very important in the development of this property providing a unique insight into how windows can be imaginatively introduced. All the apartments come equipped with a fully fitted kitchen complete with oven and microwave oven, hobs, washing machine with dryer and dishwasher. Furthermore, after a day in the City guests can relax in the knowledge that the apartment will be serviced daily. Kick of their shoes and unwind in front of the satellite television or if feeling more energetic a light swim in the pool or a workout in the gym
